A Bar or Bat Mitzvah is a happy event. Cater it with interesting, diverse food that stands out from the usual Bat or Bar Mitzvah catering fare.

Unique Bat and Bar Mitzvah Catering Menus

If you're celebrating a Bat or Bar Mitzvah in Toronto, call Mitzuyan Kosher Catering for an entirely new kosher experience. Our Bar Mitzvah catering menus transform cuisines from around the world into an experience the kids and more mature guests won't forget anytime soon.

Choose from one of our many menus or let us design a unique one for you. We listen to your needs and wishes and create and serve a menu as memorable as the event itself. It's all kosher, under the supervision of the Kashruth Council of Canada (COR).

Just to give you an idea, here are a few of our menu items:

- Charcoal-grilled shish kebabs of beef, chicken, lamb, and/or salmon* with cold and hot appetizers and artisan breads at the tables
- An updated Classic menu featuring stuffed roasted chicken or beef fillet, with sides of hummus, tahini, black olive tapenade, and fire-roasted eggplant salad; starters like arugula and mixed green salads, butternut squash or potato leek soup; and
- An Elite menu with entrées that include miso-glazed black cod, French cut veal chop, and prime rib, all accompanied with a vegetable medley; and a special desert menu featuring crème brûlée, coconut flan, molten chocolate cake with mulled wine, and more!

kes sushi and ours is kosher!

All our menus include appetizers, artisan breads at each table, and unlimited soft drinks and juices. Desert and late-night sweet tables vary but can be customized to your preferences.

We find that the different palates at Bar/Bat Mitzvahs are best served with lots of options, so we created [catering stations](#) that meet many of these tastes. Today's teenagers—even young ones—like sushi, so we have a sushi boat station. Kids of all ages crave Mexican food, so guess what? We have a Mexican station where they can order crisp or soft tacos. If you're expecting a sizable younger crowd, a Kids' Station features ballpark style hotdogs, sliders, pasta, and more. All stations include satisfying vegetarian options as well.

For the more sophisticated palates, we have stations featuring Greek cuisine (which lots of kids like, too), beef, Asian, East Indian, whole foods, and more.

We handle all dietary precautions such as nut allergies or lactose or gluten-free requests. We'll ask about details like this when we meet with you.

On This Special Day, Your Guests are Our Focus!

Unlike other kosher caterers, we do one event at a time so that we can focus all our energy on your guests and making sure they are well-served and that you are completely satisfied with the catering.

Be assured, your food is cooked fresh on the day of your event, at your event site, in one of our mobile kitchens (also COR-approved). We know that the secret of an unforgettable Bar/Bat Mitzvah lies in the fusion of delicious food, presentation, and quality service to all guests. On this day, we will make sure that everyone will experience the excellent cuisine from our international chefs and impeccable service from our staff.
